Important RUSD Informational Meeting:

Tuesday May 22nd 2018

9:00 AM

Case High School

7345 Washington Ave., Racine, WI 53406

The RUSD has reached out the Southshore Realtors Assoc. to provide our members with an Informational Meeting which will be presented by them. This meeting will be very beneficial for our members. Because of jobs FOXCONN will be providing, more buyers will be moving into the area and one of the most important things they will look at are the schools their children will be attending.

Meet the new Superintendent Dr. Gallien. He will be speaking about the Racine schools and the changes that have been made.

Some of the students will be sharing their experiences, and the Culinary Class will be providing a snack for you.

License Renewal and CE Classes

Don't forget that all REALTORS® (even those newly licensed) will need to renew their license with the Wisconsin Dept. of

Safety and Professional Services by December 14 of this year. The department should send you renewal information but it is your responsibility to contact them if you do not hear from them.

As part of the renewal, all Realtors® are required to complete 18 hours (6, three hour classes and passing of an exam for each) of Continuing

Education before the renewal deadline. You are required to take all 4 main courses and 2 elective courses.

You must take the classes from an accredited source.

PLEASE NOTE:

Effective October 1, 2015 (Wis. Admin. Code REEB 25:Education) all licensees will be required to complete the 18 credit hours of continuing education, including for the biennium during which they were licensed. Therefore, there is

no longer an exemption for newly licensed people from the continuing education requirement during the biennium they first receive their license. However, one group will be exempt – a salesperson that received a license after October 1 of the even year of the biennium will not be required to complete continuing education for that biennium. Brokers will not receive any exemption.

SRA Schedule TBD

Joining A Committee

Committees are the lifeblood of an association. They provide forums for ideas, visioning, and are necessary for association operations. They can meet on a regular basis or as needed, and can meet as often or as little as necessary. Please consider signing up by clicking on the link which will take you to a list of your association committees and a brief description of what they do.
